Quick Eats!

Our culinary ready to eat concepts are quick to make and easy to prepare. So it's low on time but high on taste! Moreover the array of products from the House of Bombaywalla is diverse and in depth. One for every occasion; another for every taste. The method is so quick and so user friendly that time spent in kitchen space is negligible.

Purely Fresh!

We have our own super tech manufacturing infrastructure. It's globally certified. Highly hi tech and fabulously hygiene! We just can't play with quality nor can we overlook it. It's ubiquitous in every process right from procurement to packaging to placement to its final destination. And every time you will buy our products you will experience the freshness locked in it. Form the House of Bombaywalla, it's pure. It's fresh. It's healthy. Undoubtedly!

Very Indian! Very International!

The taste is Indian. The quality global. The quick food solutions from the House of Bombaywalla is endeavoured to make your eating experience truly homely sans the kitchen efforts!

Today, the world is racing with time & every lifestyle is affected with this fast track syndrome. Hence eating habits has drastically changed, which has led people to seek for safe, easy & convenient ways to make foods for varied eating situations. House of Bombaywalla aims to cater this segment by providing traditional Indian recipes with a healthy appetite on a global level. Our manufacturing plants are ascribed with global level certifications i.e. ISO 22000:2005, BRITISH RETAIL CONSORTIUM 6, HACCP, WHO-GMP & HALAL. Our range of delicacies include basket full of Indian Traditional range of food products comprising of Frozen Ready to serve Indian breads, Paratha's, Traditional snacks, Pre-Mixes and the latest developed concept for the modern world called as Stiffin.

Our quick food solutions are exported to various developed countries across the map. In the close future, we have devised to expand aggressively and rapidly.

From the House of Bombaywalla!

Initiated by industry veterans, House of Bombaywalla is centred at Ahmedabad, Gujarat, India. The group is engaged into manufacturing and trading of multi category food product globally.

Our focus is to proffer safe, easy and convenient food solutions for Corporate, Healthcare, Hospitality, BPOS, Banquets and Families on a world level. We aim to reduce the kitchen space by offering convenient ready to eat solutions. We have a robust distribution network via which we envision to develop a vigorous yet a yummy market of our food products globally.

Our quick cooking concepts are conceptualized to make your eating experience the traditional Indian way!

Indian Breads!

Indian Breads are flattened breads made out of wheat flour or maida i.e. finely processed and refined wheat flour. Indian breads are an integral daily part of the Indian cuisine and usually they are teamed with veg/non veg curries/gravies. At times these flattened breads are also stuffed with wide variety of vegetable mixes and smeared with ghee/butter.

From the House of Bombaywalla Foods, we serve you an assortment of traditional Indian Breads to complete your platter daily!
